Brother Will

Will you see the leading Harness maker in your place and see if he will sell his business if he will try and find out about how much it will take to buy his stock and find out what his terms would be whether he would give time on a part of it or not and about what his stock would invoice. I do not know but you may think this is asking a good deal of you but I will endeavor to repay you in some way.

would like to hear from you

as soon as convenient as I  
am trying to find a location  
for business and shall look  
no farther untill I hear from  
you. If your leading harness  
maker does not wish to sell  
perhaps there may be some  
one else there that would  
Yours with much respect-

Elyatwood

P.S. If you think the prospect-  
good after talking with  
this Man I will come  
out or write him
